

A short gathering took place in the senior wing of SGRR Public school Vasant Vihar where teachers from all the three branches were present.

The main purpose of the gathering was to explain the core concepts of the NEP. The initiative was taken by the Principal, Dr Sunita Rawat, considering the significance of NEP in the current education system. She, herself was the facilitator for the day.

Mr GS Tomar education officer SGRR education mission was the guest of the day. In his address he praised the principal for her deep knowledge of NEP and he also appreciated the way, she clarified the concepts of NEP by giving practical examples which can be implemented in the classrooms.

Overall it was a fruitful day to all.
